

WSAV Parker's Outstanding Student Nomination Form

WSAV News 3 and Parker's have partnered together to honor outstanding students for excellence, in the classroom, community, and in athletic competition. You can help us recognize local high school seniors who excel in these areas by nominating them for the **WSAV Parker's Outstanding Student** of the Month.

Winners of this monthly award will receive a \$1,000.00 scholarship to the post-secondary school of their choice following graduation. Nominations must be received by deadlines in the chart below to be considered for the following month's Scholar Athlete award. Non-winning nominations will be eligible for continued consideration for any remaining awards in the 2017-2018 school year. To be eligible, nominees must be a high school senior enrolled at a public or private school, active in at least one varsity level sport and one community organization, with a minimum GPA of 3.0. Other restrictions apply. For full rules go to WSAV.com/outstandingstudent.
